The background of the page is a black and white photograph of a serene landscape. In the foreground, the calm surface of a lake reflects the sky. A small, dark, rocky island with a few trees sits in the middle ground. The far shore is a dense line of evergreen trees, with rolling hills or mountains visible in the distance under a pale, overcast sky.

Dedication

We, the class of 1981, would like to dedicate our yearbook to Mr. Robert Marshall. Mr. Marshall took over as our class advisor during our Sophomore year and set forth many goals for us to strive for. Last year, most of his own free time was spent at Sumner trying to get us ready for our Junior Prom. Thanks to you, Mr. Marshall, our Prom and every other activity you planned for us was an eventual success. Good luck with everything you do, you Catalyst!

Appreciation

The class of 1981 would like to thank Mr. George Allen for all of the hard work he has put into our yearbook this year and last year. Along with being the yearbook advisor, he is a soccer and track coach.

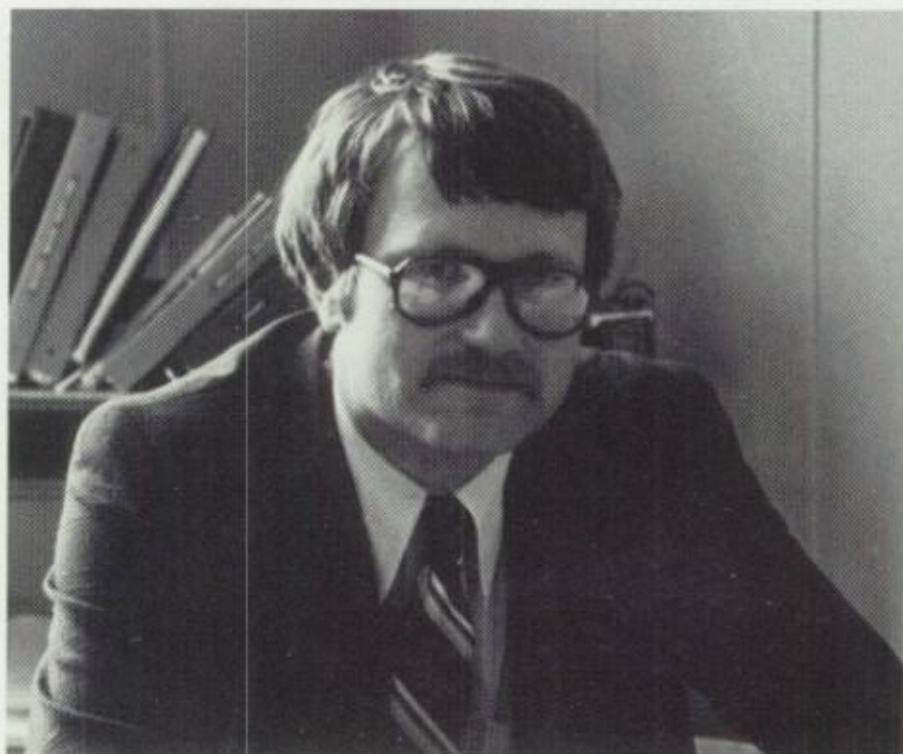

Thank you, Mr. Allen, and good luck in your future years at Sumner Memorial High School.

What Gift Is This

What gift is this —
that offers reassurance,
to combat the doubts
which life possesses.

What reply is this —
it is I: a friend,
who has lived through the doubts.

What gift is this —
that offers confidence,
to soothe the soul
and strengthen one's belief in self.

What reply is this —
it is I: a friend,
who believes in you.

What gift is this —
that offers understanding,
to those who'll take
its gentle warmth with feeling.

What reply is this —
it is I: a friend,
who wants to share warmth.

What gift is this —
that offers words of comfort,
to those who'll hear
with open heart, its message — care.

What reply is this —
it is I: a friend,
Who shares his caring.

What gift is this —
that offers true friendship,
to those so proud
that they will never forget.

What reply is this —
it is I: a friend
who asks one small favor,
as you begin a new adventure
along an unknown, uncharted path,
may you never forget that friend: me.

George Allen

The Freshman Child

The freshman child, oh, so shy
Silently longs for the sophomore guy
The sophomore guy, head in a whirl
Admirely stares at the junior girl
And the junior girl in her dashing sedan
Boldly chooses the senior man
And the senior man, handsome and wild
Silently longs for the freshman child.

We Knew Love

I love you, you know,
Above all the stars in heaven.
For when all is said and done,
My love will stand strong.
The need to be with you,
Shall last us a lifetime.
Yet, it will not smother you,
For it is your whole being I love.
We shall never give up,
Because we believe in each other.
And through caring we'll mature,
To stand as one, entwined in love.
Each day will bring us a step forward,
Upon a horizon which shows such promise.
The promise of honesty, trust, and tenderness.
For these are the foundations of our love.
Yet, when time has passed and we're apart,
We shall look back at those days,
And remember what we said to one another;
I love you, you know.

George Allen

The Hardship of Accounting

Never ask of money spent
Where the spender thinks it went
Nobody was ever meant
To remember or invent
What he did with every cent.

In Memory Of

Lisa Marie Dunning

The season's came
And they went
When they came
She was there
Bright and happy
Always with a smile
So full of life
With all her friends
Gathered round her
At times they laughed
At times they cried
But always together
When the seasons left
She went too
A part of each friend
Left with her
But still a part of them remained
Now they have only memories
To share together
Some happy, some sad
But happy or sad
They are better than none at all.

Last year's track team, though small in size, completed a successful season especially in the Hancock County meet. Diane Lounder and Roxanne Renwick were stand outs for the girl's team. The boy's were led by Kurt Schaller and Howard Frye who will be returning this year. We look for a good turnout for next year's squad.

The 1980 softball team had one of its best seasons ever. The team posted a regular season record of 14 wins and 1 loss, with an overall record of 17-2. This insured Sumner of its first tournament playoff, which was to lead them to the first Girls' Eastern Maine Championship.

The playoff games were all extremely exciting for fans as well as players. Thanks to tough defense, aggressive base running and strong pitching, the team eliminated its competition one at a time. The final game was to be the State Championship played at Augusta. This did not prove to be a Tiger day but despite the loss the girls held proud their accomplishments of the season.

I consider the success of the team due to hard work, *team spirit*, and dedication, and I would like to thank the girls for their cooperation throughout the year.

The 1980 baseball team started in February. Little did they realize that in June they would be playing for a State Championship. They started the season off with four straight wins. They ended the regular season with a record of 12 wins and 3 losses. This record was identical to Searsport and, in the ensuing play-off game with Searsport, Sumner thumped them 13 to 5. This set the stage for the Eastern Maine playoffs.

In the opening game against Vinalhaven, Sumner picked up a 13-2 victory with Randy McLain pitching a one hitter. That brought Lee Academy to town. That game ended in Sumner's favor 6-0 with Jeff Gordon pitching a four-hit shutout. That victory set up the Eastern Maine Championship game with Southern Aroostook. Southern Aroostook had not lost an Eastern Maine Championship game in three years, but they met their match against the Sumner Tigers. The final score was 9-0 in Sumner's favor, with Jeff Gordon pitching another four-hit shotout. That game put Sumner in the State playoff game for the first time in six years, and although they played with the same dedication that saw them through the regular season, and an Eastern Maine Championship, they fell a little short in losing to Wells 11-4.

The 1980 boys and girls cross country teams were very solid throughout the entire season. The girl's team worked harder than any girls' team in Sumner's history. The boys were extremely competitive with schools compatible to Sumner in enrollment as was evidenced by their winning runner up honors at the Pendale meet.

This was the first year that Sumner has competed in the highly competitive PVC. Playing teams such as Bangor and Orono was a learning experience for us as a team but I think the rest of the league learned that Sumner and some of the other smaller schools can compete with them. Our record was 4 wins and 14 losses, but many matches that we played were very close.

We had a veteran team with two excellent freshmen that really played well at times. We lose Brent Sutherland and John Grangrade. This will considerably hurt the team but the growth that our two freshmen experienced with the leadership and guidance of the seniors will be extremely valuable to them another year.

This year's team posted a 5 and 7 record. What should have been a banner year turned into a rather disappointing one. This year's squad did produce an Eastern Maine Class B All-State Player. He was senior Mike Bierman. All but five players will be returning to next year's squad so the team with a little more pride and enthusiasm should have a very good year.

The J.V. soccer team posted a 1-0-3 record for their season. The guys continued to make practice, displayed determination, and learned some of the basic skills about soccer even though they only had 4 games. Next year, some of the players will move up to Varsity and hopefully we will have a J.V. team again next year.

Girls' soccer proved to be very exciting again this year. The team finished the regular season with a record of 9-1-4. This put Sumner in second place for the tournament with the home field advantage.

Highlights of the season had to be our 1-0 win against Waterville which ended up the State Champions. And of course, our tournament games against Schenck and Hyde were excitement filled also.

Dedication, desire, along with outstanding team effort proved to be the main reasons for the team's success this year. The girls kept the soccer tradition going! Thanks for all your hard work ladies. You did a super job!

With the loss of veteran ball players through graduation and transfers, the outlook for the 1980-1981 basketball season was not promising.

The fact that the team compiled a 10-6 regular season record and qualified for the playoffs was a testament to the determination and spirit with which the team battled throughout the basketball season. Stand-outs for the team were Wayne Havey, Jon Noyes, and Alden Bunker. Congratulations to the entire team on a fine season.

This year's Boys' J.V. Basketball team consisted of 9 freshman, 5 sophomores, and 1 junior. It is the youngest and most inexperienced group of J.V. players that I have had in the 3 years of coaching at Sumner. As young and as inexperienced as this team is and even though our record was 4 wins, 12 losses, this group of players has the potential to be a very good team in a couple of years.

In many of our games, 4 to 5 freshman were starters and in most cases they were playing against other J.V. teams which consisted of players who were sophomores and juniors with a great deal more experience. The team really came on the second half of the season. Teams who had beaten us by as many as 40 points were hard pressed to beat us the second time around. This team, as young as it was, did not lack confidence. I look forward to the future basketball team.

The 1980-1981 Girls' varsity basketball season was the best in the history of Sumner High School. Our record at the end of the regular season was 13 wins and 3 losses. One of the losses was by 1 point to a strong George Stevens Academy team and the other by 2 points to a tournament bound Machias team. The record insured Sumner of a 6th place finish in the Eastern Maine Class B Tournament.

In the playoff game, M.D.I. was the victor by a score of 53-40. Joanne Stinson set a new school record by scoring 239 points in one season. Leta Leighton broke the old record by scoring 179 points. Sylvina Alley was the teams' top rebounder and defensive player. Coach Harmon would like to extend his appreciation to each player and managers for a fine season. Needless to say, the entire school and fans are very proud of the Sumner Girls' Varsity Basketball Team.

This year's girls' Junior Varsity basketball team did not record a winning season due to the lack of experience and a large number of freshman who came out for the team. As the season progressed the girls improved in their playing ability and ended the season playing well together as a unit. Throughout the whole season the girls never lost their fighting spirit. In every game they played, the members gave 100% and played to win. Next year's team looks promising. Sumner can look forward to a successful season.

The Fair

My parents took us to the fair
To spend an afternoon there
As a family, one last fling
To keep us going until spring

We peered into many stalls
Of the domestic animals
All parting as if hearts would fail
While swishing flies off with their tails

The people were of every sort
From fat and tall, to thin and short
The families, couples, loners all
Had now appeared to have a ball

The pick-pockets, fighters, tough and cool
The scarred the burned, the bubbling fool
The greasy, sweaty, grimy, hairy
The stoned and drugged with eyes all starey

The tired, bored, and toughened crew
Who buckled, strapped, and tended to you
Who took your tickets without a look
To see whose tickets they just took

They weren't the reassuring kind
Who gave you any peace of mind
You wondered, as you grasp and slide
If this might be your last ride

The squals, shout and screams of fear
The clanking sounds of meshing gear
The boys who dared to swing and role
But hanging on was your one goal

My mother standing on the ground
Looking doubtful as we whirled around
Shielding her eyes in the bright sunlight
We waved, laughing with all our might

The smells of grease and cotton candy
And fudge we bought that came in handy
The gimmicks on the building sides
My favorite, of course, was the rides

The Twilt-O'-Whirl, the Flying Bobs
The Zipper; Sky Diver; all did their jobs
Your body tilted; your head, it whirled
Your eyes bobbed and your stomach swirled

The kids I saw that I knew from school
In pairs or groups, all acting cool
Some stopped to talk or just say hi
While others waved as they passed by

It was a day, I feel, well spent
Although in our wallets exists a dent
Fond memories I'll keep with utmost care
Of a wonderful day at the Blue Hill Fair
